**Homework:** There will be weekly homework assignments. The first homework assignment is posted on the course web page. Future assignments will be posted by the due date of the previous assignment. Homework is due at the end of class on the due date. I do not accept unexcused late homework.**Tutorials:** There will be a short activity (open book) for you to do or a quiz in the tutorials. There will also be time for some of your questions.**Absences:** If you are absent from an exam, quiz or activity without an official excuse, you will receive a grade of zero on it. If you are officially excused, you will not be penalized. If you miss one for any reason, send me an email message, call me or call the Mathematics Department as soon as possible.**Honor Code:** The Honor Code is in effect for all exams and assignments. You are encouraged to work together on assignments, but copying in any form or submitting work done by others as your own is a violation of the Honor Code.**Grades:** Grades will be based on a total of 525 points broken down as follows:

|                        |         |   |     |
|------------------------|---------|---|-----|
| Exams                  | 3 @ 100 | = | 300 |
| Final Exam             |         | = | 150 |
| Homework               |         | = | 50  |
| Quizzes and activities |         | = | 25  |
