Preliminaries

- Create a hw16 folder under your course directory dropbox

Work

This assignment will introduce you to both Particles in maya, and the more recent nParticles, and will give you a chance to see the difference.

From the “Dynamics” chapter in the GSWM tutorials:
- Do lesson 1 (on Particles)

From the “nParticles” chapter in the GSWM tutorials:
- Do lesson 1 (on nParticles)

Deliverables

- Submit the scenes after each of the above lessons to your dropbox’s hw16 directory. Give them any descriptive names of your choice.

Due Date

- Wednesday 4/6/16, 10 pm
