Preliminaries

- Create a hw17 folder under your course directory dropbox

Work

This assignment will introduce smoke and water simulations using nParticles.

From the “nParticles” chapter in the GSWM tutorials:
- Do lesson 2
- Do lesson 3

Deliverables

- From lesson 2: there is nothing to submit.
- From lesson 3: submit the final scene, as well as the rendered image (320x240).

Submit the files to your dropbox’s hw17 directory.

Due Date

- Friday 4/8/16, 10 pm
