Class of 2011 Mass

Ring in the New Year with the Class of 2011!

Welcome to second semester everyone! Yes, that's right. It is that time of year again. It's the time of the year when it starts to get cold, unbelievably cold, the kind of cold that only we would understand. But please do not worry because the sophomore class council has a multitude of fun events that are bound to warm up the coldest of days! And besides that, should we not enjoy every second at this great university? Should we not look past the horrible weather to better things, like our friends and the great times we have? I think yes. In fact, I would highly encourage each and every one of you to take a look around every once in a while and realize that you are part of a magnificent world here at Notre Dame. You are part of a place where students are destined for the utmost success. Good luck with all your endeavors this semester and please join us on January 27th at 6pm in the La Fortune Ballroom to discuss what your Class Council can do to make the rest of the year as great as it can be.

Go Irish!
