General Instructions: Homework must be typeset in \LaTeX, and is due at the beginning of class on the due date. No late work is accepted.

Special Instructions: Due to the technical difficulties of getting this assignment posted, resulting in the assignment not being available to you until the weekend, I will accept this assignment as late as **12:00PM, Monday, November 12**. You may either turn in the assignment in class, or to me in my office, or you may place your assignment (neatly) in my box in the CSE office. Please do not slide it under my office door.

1. In the textbook: Problem 3.2, parts $d$ and $e$ in the US edition (page 187), which is the same in the International edition.
2. In the textbook: Problem 3.8, part $c$ in the US edition (page 188), which is the same in the International edition.
3. In the textbook: Problem 3.9 in the US edition (page 188), which is Problem 3.22 in the International edition.
