The section grade is worth 25% of the final grade, and is based 75% on quizzes and 25% on homework.

There will be a 15-20 min quiz every Wednesday at the beginning of class, covering the material on the homework due that day. Homework will be also due at the beginning of class on Wednesday, and will be graded as to completion. No late homework will be accepted and no make up quiz given. The two lowest homework and quiz scores will be dropped.
