Grading policy

The section grade is worth 30% of the final grade, and is divided into 20% quizzes and 10% homework.

There will be a 20 min quiz every Wednesday at the end of class, covering the material on the homework due that day. Homework will be due at the beginning of class on Wednesday, and will be graded as to completion. No late homework will be accepted and no make up quiz given. The two lowest homework and quiz scores will be dropped.

Special accommodations

If you need disability-related accommodations in this class, if you have emergency medical information you wish to share with me, or if you need special arrangements in case the building must be evacuated, please inform me immediately. Please see me privately after class or in my office.
