

**Global Engineering  
Deans Council  
Conference**

**Chicago 2013 | October 20-22**

## **Charles Champion,** **Executive Vice President Engineering, Airbus, France**

Appointed Executive Vice President of Engineering at Airbus in 2010, Charles Champion is responsible for research and technology, overall product architecture and concept development, the design office, integration, flight-testing and continued airworthiness. He is also a Member of the Airbus Executive Committee, Patron of the 2013 Airbus Fly Your Ideas Challenge, and Chair of the Airbus University Board. He has held a variety of management positions from manufacturing to commercial activities within Airbus, including Head of Customer Services and of the A380 program. He has more than 30 years of experience in aeronautics. Champion was born in 1955 near Paris, France. He graduated from the Ecole Nationale Supérieure de l'Aéronautique et de l'Espace in Toulouse in 1978 and holds an M.S. from Stanford University.
