

A Simplified Framework for Integrated Quality Assurance in Higher Education

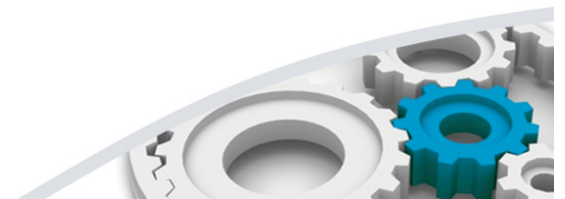

Mustafa Sualp

Founder & CEO, AEFIS LLC

Global Engineering Deans Council Conference,

Chicago, IL

October 22, 2013

A Different Perspective...

- ▶ International Student
- ▶ Commerce & Engineering
- ▶ Serial Entrepreneur
- ▶ Employer
- ▶ I believe Engineering Education holds the key
- ▶ ... and “I care”

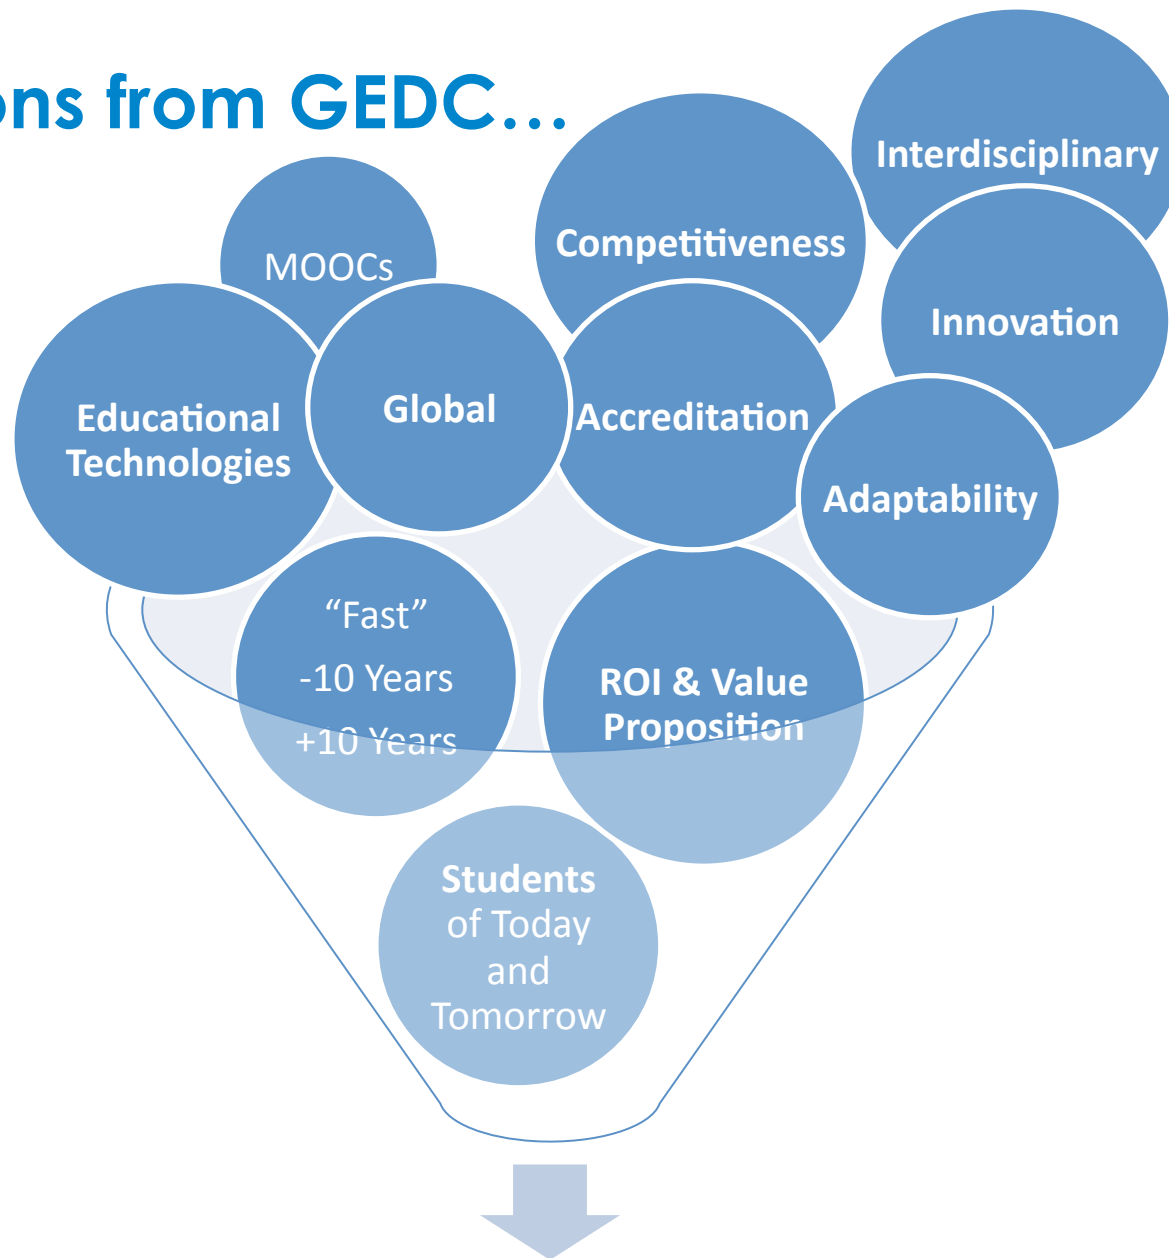

Before College...

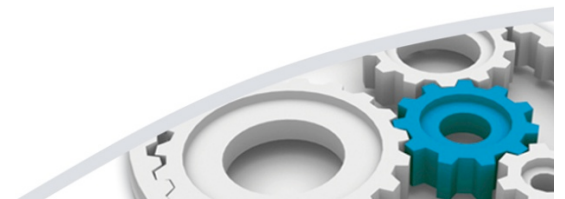

After College...

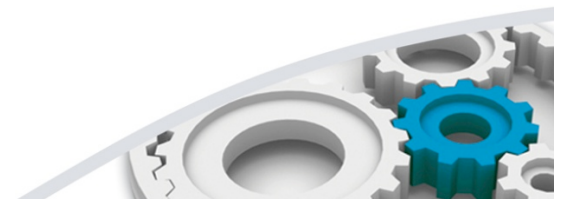

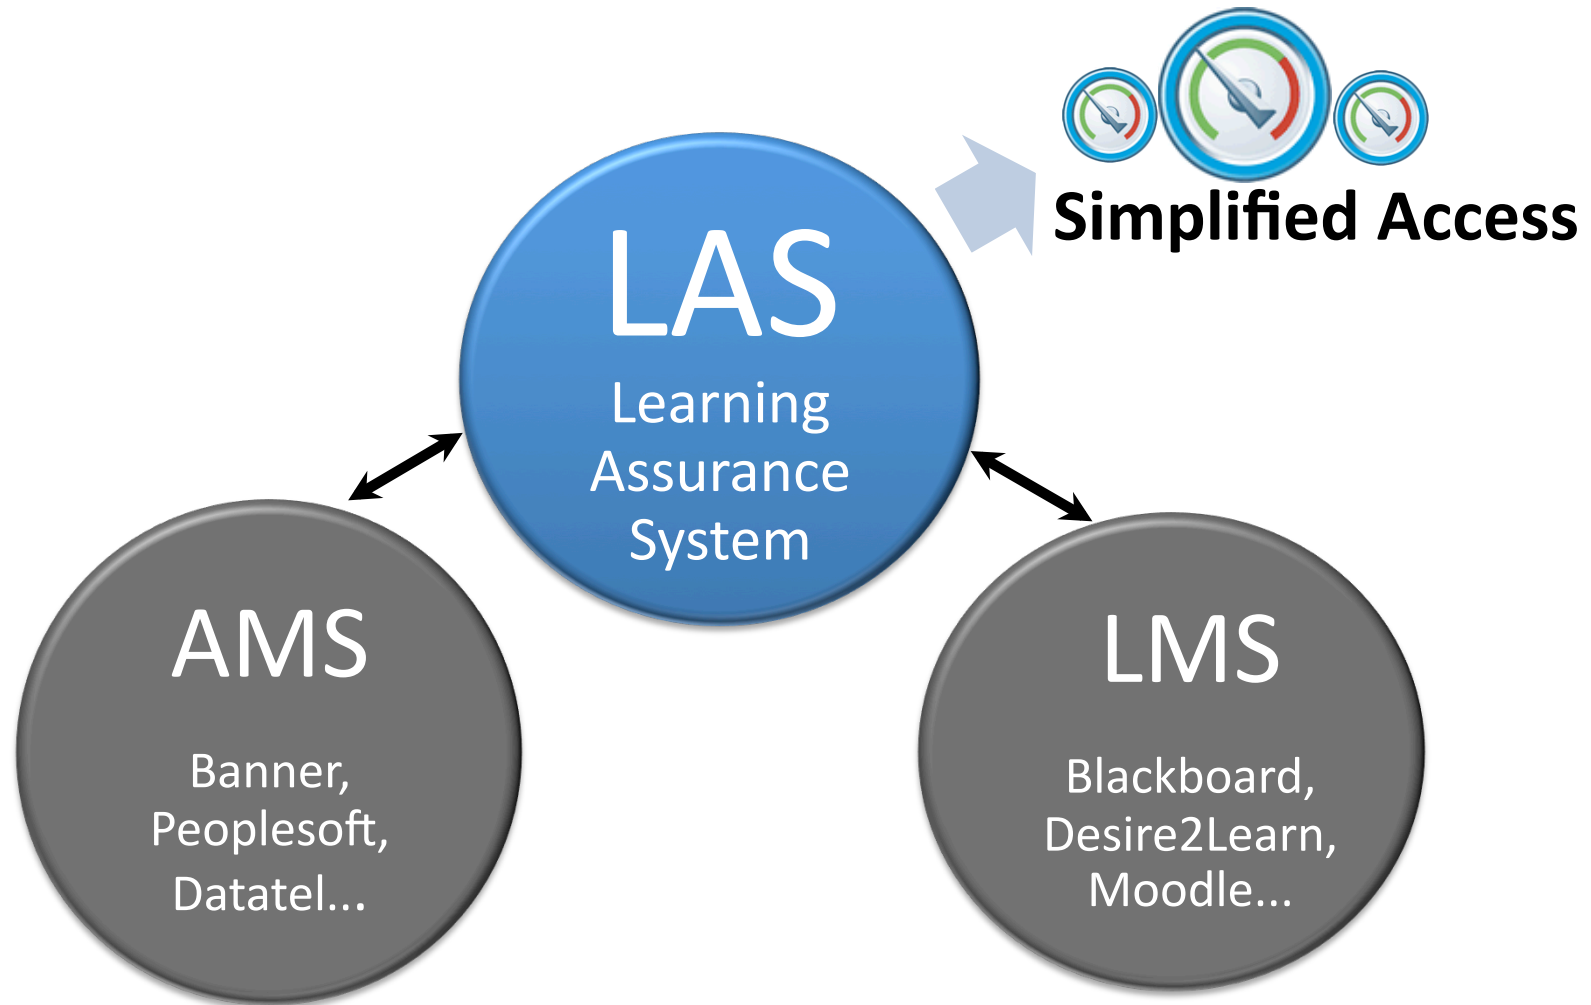

Reflections from GEDC...

Learning Assurance

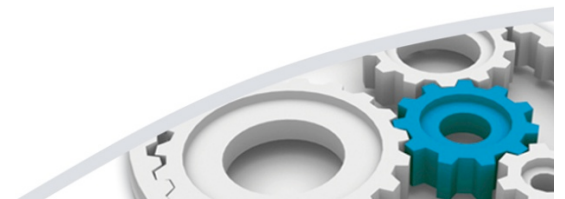

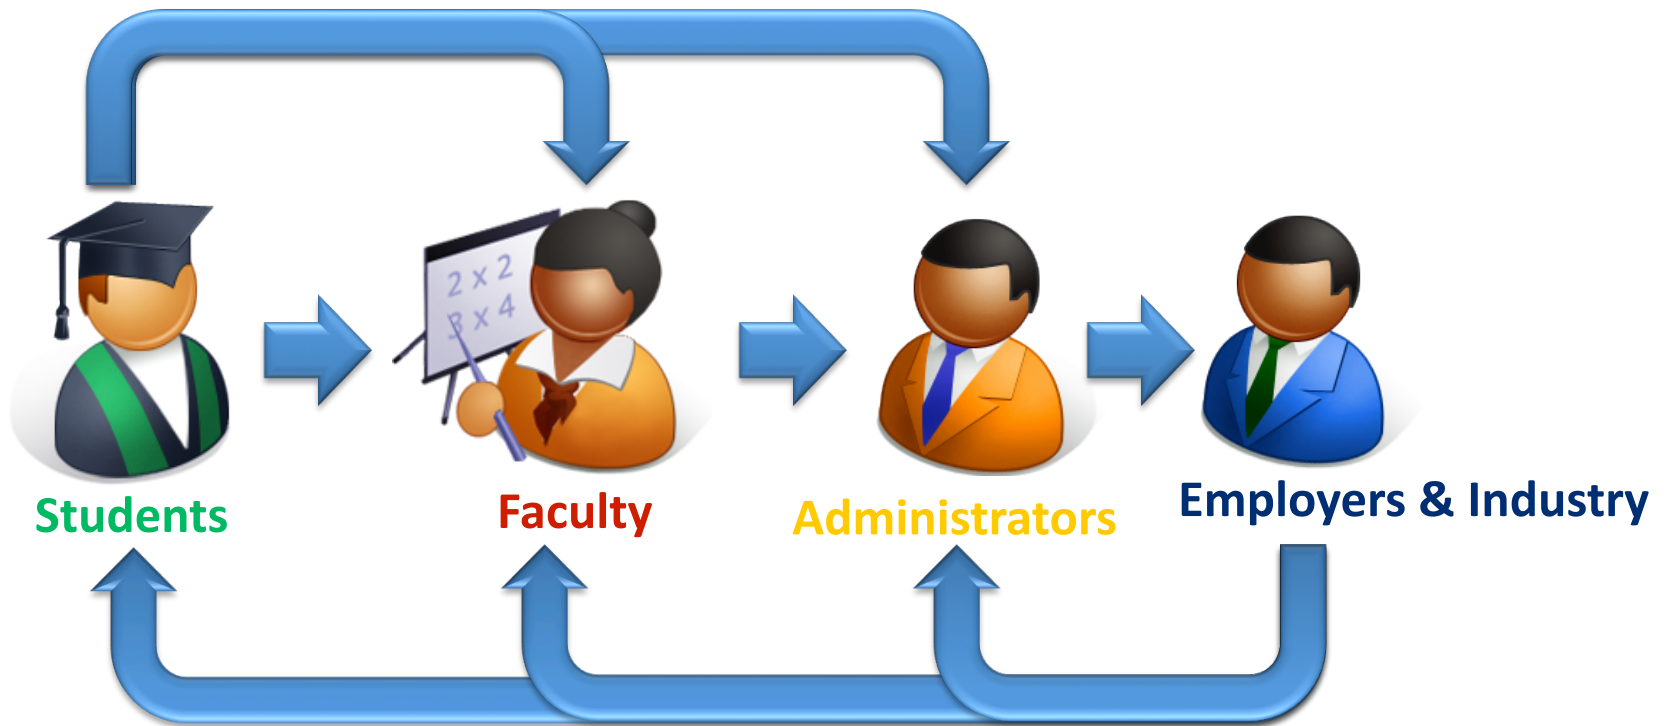

Quality Systems Approach...

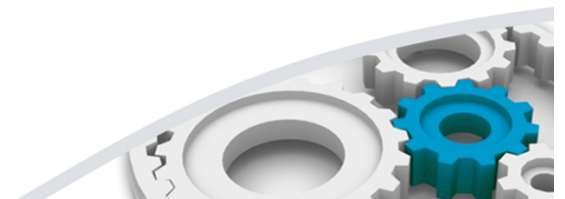

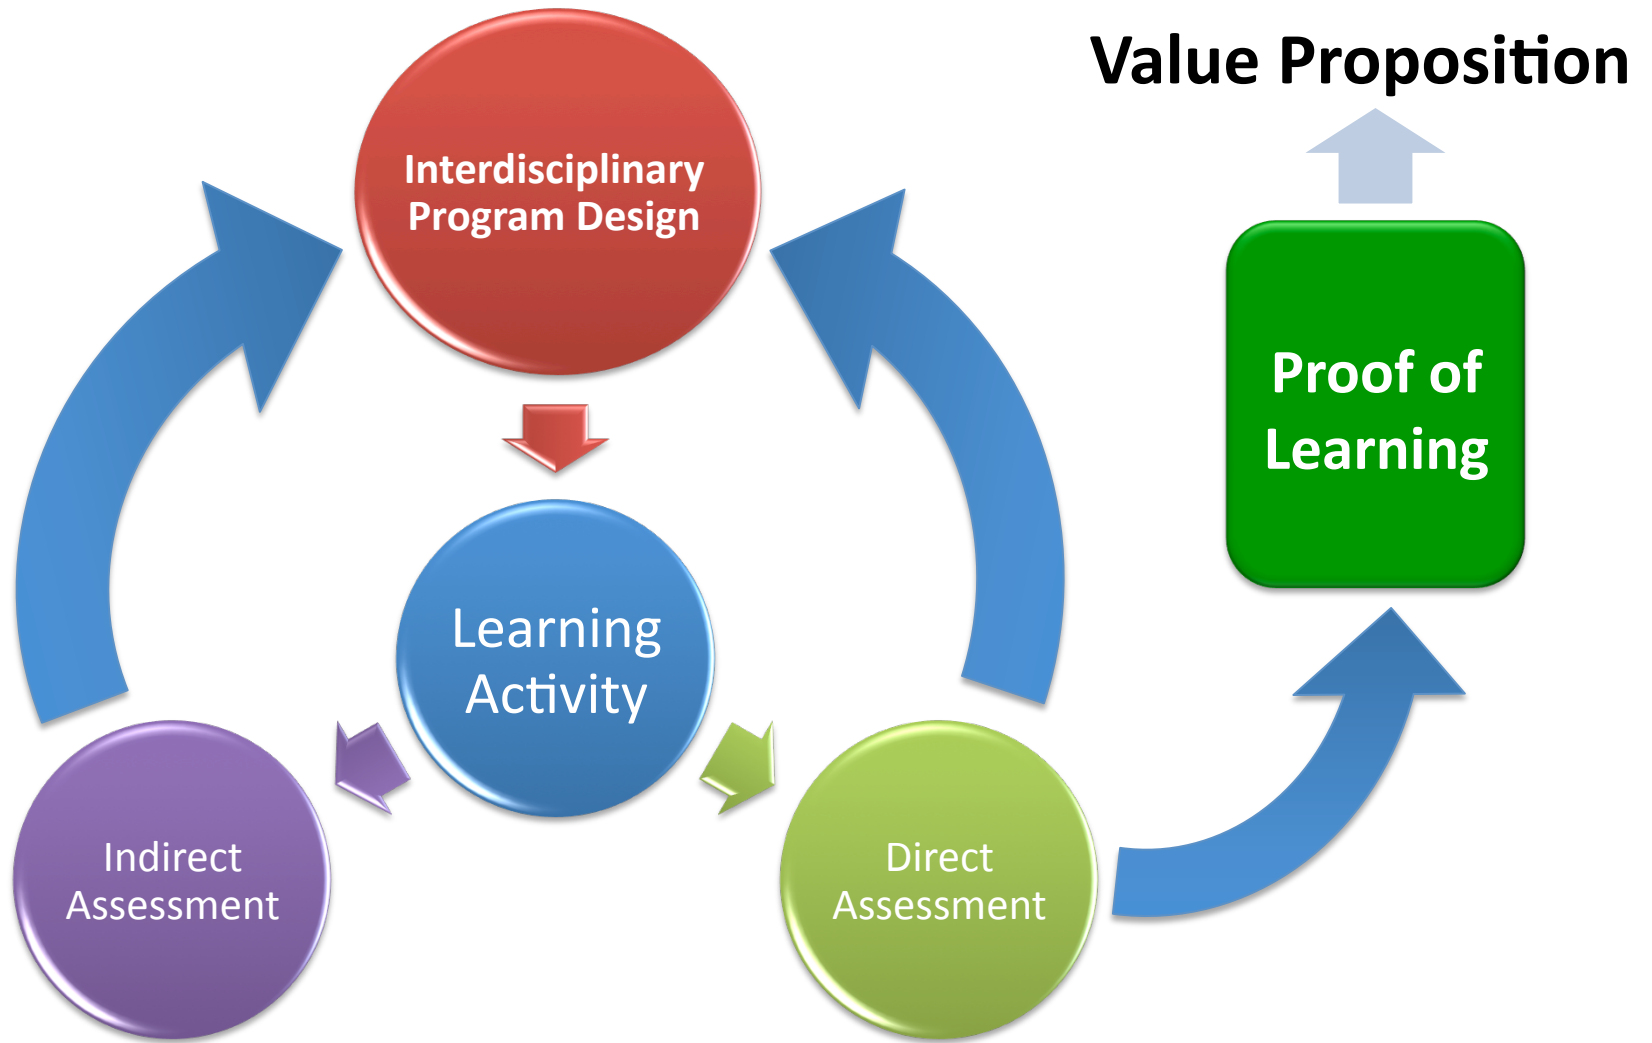

Democratization of Knowledge...

Learning Assurance Knowledge

Framework for Learning Assurance...

Conclusions...

- ▶ Leverage existing workflows and improve process management
- ▶ Create robust and sustainable processes through systems approach
- ▶ Democratize information to create value proposition to all stakeholders
- ▶ Focus on simplified framework for quality assurance
