## DESIGN EXPERIENCE

- 2000 *Internship, Interact Multimedia Corporation*  
Independently designed using various multimedia  
resources. Worked personally and communicated  
directly with clients to meet swift project deadlines.  
Successfully completed both internal presentations and  
CD ROM projects for McNeill/Johnson & Johnson.
- 1999 *Graphic Designer, Student Union Board*  
2000 Created weekly advertisement sections for the  
2001 student newspaper and biweekly campus magazine  
ads that appeared in all distributions. Produced full  
color posters that were displayed throughout campus  
promoting campus events and weekly movie showings.
- 1998 *Assistant Editor, Notre Dame Business Magazine*  
1999 Developed and prepared page layouts that were  
independently proofed and finalized. Compiled  
and computed new research data as well as  
managed and reorganized all existing databases.  
Established and successfully maintained contacts.
- 2000 *Teaching Assistant, University of Notre Dame*  
2001 Coordinated regularly held lab sessions with seventy  
undergraduate students from Computer Applications  
Special Topics Seminar. Taught the following software  
and processes on a more personal basis than a formal  
class setting: Adobe Premier, Soundedit, Photoshop,  
Director, PowerPoint, taking video and sound into  
digital files, capturing images. Graded all projects for  
the professor and instantaneously responded to all  
specific student problems and needs.
- 1999 *Graphics, The Observer*  
2000 Created original graphics in order to fill the diverse  
and impromptu needs of the entire newspaper staff  
in various departments.
- 1999 *Freelance Designer*  
2000 Independently designed brochures, logos, and web pages  
2001 for businesses, organizations, and individuals.
- 2001 *member, AIGA Chicago Chapter*
