BOOK REVIEWS

Professor Shrader-Frechette has written a great many book reviews in philosophical journals, such as Synthese and Ethics, as well as in other scholarly periodicals. Her reviews in the latter category have appeared in Agriculture and Human Values, Ecology Law Quarterly, Environmental Ethics, Environmental Management, Environmental Review, Environment International, Journal of the American Chemical Society, Landscape Architecture, The Public Historian, Risk Analysis, Social Indicators Research, Technology and Culture, and related journals.

REFEREED AND INVITED PAPERS

Professor Shrader-Frechette has presented numerous papers throughout the United States, Canada, Europe, Africa and Asia. Some of these were refereed and given at professional meetings (e.g., of the American Association for the Advancement of Science, the American Philosophical Association, the Ecological Society of America, and the Philosophy of Science Association). Others were invited presentations for special colloquia (e.g., the Boston Colloquium for the Philosophy of Science, the Pittsburgh Colloquium for the Philosophy of Science, and the Pugwash Conference), or invited presentations for professional meetings (e.g., the 1982-1983 APA meeting in Berkeley, and the 1983-1984 APA meeting in Boston). Some of the institutions from which she has received speaking invitations include: Academy for Technology Assessment (Braden-Württemberg, Germany); University of Alabama; University of Alberta; American Association for the Advancement of Science; University of Arizona; College of the Atlantic; Baker University; Baylor University; Battelle National Labs; University of Bergen (Norway); Boston University; Brown University; University of British Columbia; Bryn Mawr; University of California, Berkeley; University of California, San Diego; University of California, Santa Barbara; Case Western Reserve University; University of Cincinnati; Clark University; Clemson University; University of Colorado, Boulder; Cornell University; University of Maria-Curie-Sklodowska (Poland); Dalhousie University (Nova Scotia); Dartmouth College; University of Delaware; Denison University; Environmental Research Labs, EPA; Evergreen College; University of Florida; Florida State University; Franklin Pierce Law Center; George Mason University; Georgetown University; University of Georgia; Georgia Institute of Technology; Georgia State University; University of Gothenburg (Sweden); University of Groningen (Netherlands); University of Guelph (Ontario); Harvard University; Hastings Center; University of Houston; Indiana University; International Executive Forum (San Diego); Iowa State University; James Madison University; Jewish Theological Seminary, New York; University of Kentucky; Lafayette College; University of Maryland; Massachusetts Institute of Technology; McGill University; Miami University; University of Michigan; Michigan State University; University of Minnesota; University of Missouri; University of Montana; Moscow State University (USSR); National Conference of Catholic Bishops; University of Nevada, Las Vegas; University of Nevada, Reno; University of New England; University of New Hampshire; New York Academy of Sciences; North Carolina State University; University of North Carolina, Chapel Hill; Northwestern University; University of Notre Dame; Nova Scotia Agricultural College; Oak Ridge National Labs; Oberlin College; US Office of Personnel Management; Ohio State University; University of Oregon; Oregon State University; University of Oslo (Norway); University of Ottawa (Canada); Penn State University; University of Pittsburgh; Princeton University; Resources for the Future; University of Richmond; University of South Carolina; Southern Illinois University; Swedish Institute for Future Studies (Stockholm); the Swedish Risk Academy (Stockholm); Swiss Academy of Sciences; University of Tennessee; University of Toledo; University of Trondheim (Norway); Twente Technological University (The Netherlands); USSR Academy of Sciences; Utah State University; United Nations Environment Programme; Polytechnic University of Valencia (Spain); Vanderbilt University; Virginia Polytechnic Institute and State University; University of Victoria (British Columbia); University of Washington; University of Waterloo (Canada); Western Behavioral Sciences Institute (San Diego); Williams College; University of Winnipeg (Manitoba); University of Wisconsin; Woods Hole Oceanographic Institution; World Council of Churches (Switzerland); World Resources Institute; University of Wyoming; Yale University.
