ACKNOWLEDGEMENTS

I wish to thank Geoffrey Meadows for his assistance in the preparation of the manuscript and for his work with the authors. I am grateful to Sister Mary Roberta Connor, F.S.E., for the cover design.

The Maritain Association owes a great debt of gratitude to John Trapani and to Michael Torre for their determination and commitment to produce the series of books after a hiatus. Although the conference was held six years ago, I would like to acknowledge the hospitality of the Catholic University of America, especially the School of Philosophy and the School of Law.
