Math 105–Fall 1991
Syllabus

Course instructors are Anderson, Hu, Smyth and Taylor.

The secretary for the course is Connie E. Slack.

Below is a suggested schedule of sections to cover. It is important to prepare the students for the exams. Each of us is responsible for preparing one of the multiple choice exams. When it is your turn to prepare the exam please have a copy to Taylor by the indicated date. Preliminary copies will be distributed to all of us for comments before the final version is prepared.
