document = =2.5cm=usual =1 November 20, 1997 **Math 105, Test 3** minipage[c]6in Calculators are not allowed. Please do not remove this answer sheet-you will return the whole exam. There are 15 multiple choice questions each worth 5 points. Record your multiple choice problems by placing an X through one letter for each problem on this answer sheet. In addition there are 2 partial credit problems each worth 10 points. Please show all of your work for these two problems in the space provided. In addition 5 points will be given for spelling your name correctly. Good Luck! **You are taking this exam under the honor code.**
