

Chris Bendel and Peter Cholak Math 222 - Quiz 6 Wednesday, March 3

Be sure to carefully write up your answers. It is suggested that you first write out a draft of your proposed questions and then carefully rewrite that draft to get your final version. You do *not* have to write the answers on this sheet of paper.

Problem 24 from Section 6.1 - see definitions on p. 100.

Problem 4 from Section 6.2

Problem 8 from section 6.2. *Hint:* Use one of the assigned homework problems from section 6.2. It is NOT necessary to reprove the statement of that problem, i.e. you may simply use the fact.
