

Mathematica Questionnaire—Math 230
(use the back of this paper if necessary)

Name (optional!!!):

How helpful did you find the Mathematica demos that I presented during lectures? What recommendations might you make concerning them?

How helpful did you find the Mathematica assignments for augmenting your understanding of differential equations? What recommendations might you make concerning these assignments?

How hard did you find the Mathematica assignments?

How useful did you find Mathematica to be for completing ordinary textbook assignments?

On the whole, would you increase, decrease, or leave unchanged the reliance of this course on computers?
