(ISBN: 978-0-470-43831-0)

Prerequisite: Math 20580

HOMEWORK: The homework of each week will be due on Friday. At the end of the semester the homework with the lowest score will be dropped. **No late homework will be accepted.**

EXAMS:

Exam I: October 15, Tuesday 8:00-9:15 am, Room 319 DeBartolo

Exam II: November 19 Tuesday, 8:00-9:15 am, Room 320 DeBartolo

Final Exam: December 16, Monday, 1:45-3:45 pm

GRADING: Your course grade will be computed as follows:

- Each Exam: 20%
- Homework: 20%
- Final Exam: 40%

Office Hours: There will be regular office hours on every Wednesday, 1:300-3:30 pm at my office or by appointments.

Absence from Exams: A student who is absent from an examination without an official excuse shall receive a grade of zero for that examination. A student who is officially excused will not be penalized. If you miss a test for any reason, call the instructor or the Mathematics Department as soon as possible.

Honor Code: The exams are under the honor code. The honor code does not apply to homework. So you may discuss the homework with other classmates but do not copy each other.
