NOTE: Both of the above forms MUST be filled out

PROCEDURE 1

Tours of Foreign Teams Within the United States

Section 1.

(a) Any foreign team desiring to tour the United States and play basketball must secure a USA Sponsor for the tour. The Sponsor may be an individual or an organization. The Sponsor shall serve as the contact between USA Basketball, the host institution, and the foreign team.

(b) In the event that the Sponsor is not affiliated with USA Basketball through active, associate or affiliate membership, a performance bond in the amount of $250.00 for each touring team shall be required 30 days prior to the arrival of the foreign team in the United States. Said funds must be in the form of a cashier's check or credit card payment. The bond will be returned to the Sponsor when all the procedures concerning such events are completed by the Sponsor. In the event the tour Sponsor is placed on probation and said Sponsor fails to complete all procedures within one year after the completion of the actual tour, USA Basketball shall retain the performance bond posted by the tour Sponsor.

(c) The Sponsor shall be responsible for the following procedures to USA Basketball as they pertain to these tours:

CONDITIONAL SANCTION

(1) Request permission from USA Basketball to invite a foreign team to tour the United States for basketball competition by submitting the Application for International Basketball Competition in the USA.

(2) Secure written approval from the national federation of the foreign team for travel and competition in the United States. Such written permission shall be forwarded to USA Basketball's national office 30 days prior to the arrival of the foreign team in the United States.
(3) Provide a copy of the game schedule and the sanction fee per game of $1,000 for NCAA Division I institutions and other professional leagues (such as NBA, CBA, NBDL, ABA, USBL, WNBAL, etc.) and $100 for all sanctioned games. Payment is due to USA Basketball thirty (30) days prior to the arrival of the foreign team in the United States. In addition, sanction fees for games involving foreign national teams are subject to an incremental fee as determined by USA Basketball.

(4) Teams touring into the United States to play USA High School teams shall submit a game schedule, permission from the High School Federation of the State where they are playing and $15.00 per game thirty (30) days prior to the arrival of the foreign team.

(5) In the event that a preliminary or secondary game is played by the same host team and foreign team on the same day at the same site, it shall be considered one game.

**COMPLETE SANCTION**

(1) Although the game may be played under any rules, only registered FIBA/USA Basketball officials shall be assigned to the games. A list of officials can be obtained from the USA Basketball Office. Accordingly, provide USA Basketball the names of the FIBA/USA Basketball officials assigned to work the games 30 days after the completion of the tour.

(2) Provide USA Basketball with a tour resume including all game scores, a photograph and roster of the foreign team within 30 days after the completion of the tour.

**Section 2.**

**Penalties.**

Sponsors shall be penalized financially for not meeting the procedures and requirements. Such amounts will be deducted from the Sponsor's performance bond.

(a) The non-use of FIBA/USA Basketball registered officials will result in a fine of $25 per official not used in the competition. Said fine shall not exceed $50.

(b) Any sanction fees not submitted.

**PROCEDURE 2**

**Tours of United States Teams to Foreign Countries**

**Section 1.**

Teams from within the United States may develop their own tours provided they meet the requirements and procedures for such tours as follows:

**CONDITIONAL SANCTION**

(a) Review any restrictions related to such competition with the national parent organization involved (NCAA, NAIA, NCAAA, AAU, NFHSBA, etc.). A copy of the waiver and/or letter of permission must then be forwarded to the USA Basketball national office.

(b) Complete and return the USA Basketball application for International Basketball Competition Outside the United States at least 30 days prior to departure from the United States.

(c) Secure written approval from the national federation of the foreign country in which you will compete. Such written permission shall be forwarded to USA Basketball's national office 30 days prior to date of departure.

(d) A Team roster must be submitted thirty (30) days prior to departure. All-star teams must be specific with reference to the team composition as they may be a consideration when sanctioning, as all-star teams are subject to FIBA rules pertaining to letters of clearance. In any event, a letter of permission from the director of athletics of any team member with remaining eligibility is required before sanction will be given.

(e) The sanction fee for such events shall be $25.00 per game (to a maximum of $300.00). All NCAA Division I institutions and otherwise professional teams (such as NBA, CBA, NBDL, ABA, USCBA, etc.) shall pay a $300 sanction fee. USA High School Teams taking foreign tours are $15.00 per game. The sanction fee must be paid prior to departure.

(f) In the event that a preliminary or secondary game is played by the USA institution and foreign team on the same day at the same site, it shall be considered one game.

**COMPLETE SANCTION**

(a) The team must submit a schedule of games played, itinerary, photos, roster and a critique of the tour within 30 days after their return to the United States to obtain a complete sanction.

**PROCEDURE 3**

**Non-Sanctioned Tours**

Should any tour (Procedure 1 and 2) not receive sanction from the USA Basketball national office by the specified procedures, the following probationary action will be taken:
Section 1.

(a) The USA Basketball national office will notify the tour sponsor or coordinator of the non-sanctioned tour giving written notice of a 60 day period. The sponsor will be allowed to complete delinquent procedures and obtain retroactive sanction during the 60 day period.

(b) Should the required procedures remain delinquent, the tour coordinator/sponsor, U.S.A. institution and team staff member(s) will be placed on probation for a minimum of one year or until all procedures are completed following the one year period.

(1) Probation:

   a. The tour coordinator/sponsor or U.S.A. institution may not pursue coordination of any international competition for the probation period.

   b. Staff member(s) of the probationary team may not play in or coach any international games or become a national team staff member during the probation period.

   c. If Sponsor fails to complete all procedures within one year after the completion of the actual tour, USA Basketball shall retain the performance bond posted by the tour Sponsor.
