

AME 60614

Report 1

Due: Thursday, 25 August 2022

1. Retrieve document `sample.tex` and `sample.figure.eps` from the “documents” link under <https://www3.nd.edu/~powers/ame.60614>, edit it to add your name, compile, and submit a `.pdf` version of the compiled file.
2. Write, compile, and execute a `hello world` program in some version of `Fortran` or `C`. Submit your source code and output.

Here is an example `Fortran 90` code:

```
program test
print*, 'hello world. My name is Joe.'
end program test
```
