“Metropolitan Governance in the Federalist Americas makes an important contribution to the broader debate on subnational governance and to the specific debate on metropolitan governance. The authors provide an excellent, accessible description and explanation of the wide variation in forms, rules, and outcomes associated with metropolitan governance in the Americas. A significant and useful feature of the volume is the authors’ inclusion of case studies: they allow the reader to think productively about political history, economics, and the sociocultural context.” —Brian Wampler, Boise State University

THE FORMATION OF SOULS
Imagery of the Republic in Brazil
José Murilo de Carvalho
Translated by Clifford E. Landers

“When Brazil overthrew its monarchy in 1889 and opted for republicanism, there were no clear guidelines on how the new government should operate, nor which symbols should represent the ‘new order.’ In this brilliant essay (originally published in 1990 and offered here in the first English translation), the distinguished Brazilian historian José Murilo de Carvalho dissects this process by focusing on the ‘origin of myth, the hero, the feminine allegory, and the flag.’ . . . Eminently readable in a superb translation by Clifford E. Landers and illustrated with reproductions of paintings, sculptures, flags, and snatches of musical anthems, this short work is required reading for students of Brazil and Latin America.” —Choice

PROBLEMS CONFRONTING CONTEMPORARY DEMOCRACIES
Essays in Honor of Alfred Stepan
Edited by Douglas Chalmers and Scott Mainwaring

“Through critical and enthusiastic engagement with the wide-ranging contributions of Alfred Stepan, a leading agenda-setter in comparative social science for the last forty years, the contributors offer cutting-edge essays on the most pressing problems facing democracies across the world today. The geographical scope of the volume, like the work of Stepan itself, is especially impressive, as is its cross-generational coalition of contributors, which includes very distinguished senior scholars and ‘scholar-politicians’ as well as some promising younger scholars who are now starting to make their mark in the field.” —Richard Snyder, Brown University

POWER IN THE BALANCE
Presidents, Parties, and Legislatures in Peru and Beyond
Barry S. Levitt

“Barry Levitt’s Power in the Balance is far more than a study of the separation of powers in Peru: the book is a welcome corrective to twenty years of institutionalist research on executive-legislative relations in new presidential democracies around the world. The study of formal rules can only take us so far. Levitt shows that the functioning of president-Congress relations is contingent upon the internalization of constitutional norms by relevant political actors, as well as on the ability of party organizations to channel these norms across successive electoral cycles and to constrain ambitious political elites. Levitt’s insistence on meta-institutional variables will stand as an important contextualization of mainstream models of presidential democracy, generating important comparative insights into other transitional regimes such as Venezuela and Russia.” —Timothy Power, University of Oxford

THE MARYKNOLL CATHOLIC MISSION IN PERU, 1943–1989
Transnational Faith and Transformation
Susan Fitzpatrick-Behrens

“Historian Susan Fitzpatrick-Behrens’ work, The Maryknoll Catholic Mission in Peru, 1943–1989, offers an insightful analysis into the religious foundations of twentieth-century Peruvian history. . . . The Maryknoll Catholic Mission in Peru skillfully carries the subtleties of Peruvian history into the global sphere. The work is important to historians of the Americas for demonstrating the centrality of religion to the political and socio-economic development of a nation and the highly influential role mission played in the region.” —American Catholic Studies

THE RIGHT TO THE CITY
Popular Contention in Contemporary Buenos Aires
Gabriela Ippolito-O’Donnell
“This book addresses an important topic—the determinants and role of popular mobilization in deepening democracy—and it offers interesting theoretical insights. It is based on extensive and original fieldwork as well as on new survey data that is worth reporting in its own right. The book also provides an excellent overview of the history of social mobilization in Argentina.” —Daniel M. Brinks, University of Texas at Austin
320 pages 2012

POLITICAL CAREERS, CORRUPTION, AND IMPUNITY
Panama’s Assembly, 1984–2009
Carlos Guevara Mann
“Mann demonstrates convincingly how informally institutionalized corruption, impunity, and clientelism impact the behavior of Panama’s representatives significantly. These additional goals bring into question the quality of democratic representation and the prospects for further democratization in Panama.” —Choice
472 pages 2011

PRECARIOUS DEMOCRACIES
Understanding Regime Stability and Change in Colombia and Venezuela
Ana María Bejarano
“This book provides the first sustained, theoretically guided comparison and explanation of the evolution of these two increasingly troubled democracies in South America. The strength of the book lies in its careful deployment of analysis in a historical-institutionalist tradition.” —Jonathan Hartlyn, University of North Carolina at Chapel Hill
368 pages 2011

CORRUPTION AND DEMOCRACY IN BRAZIL
The Struggle for Accountability
Edited by Timothy J. Power and Matthew M. Taylor
“The contributors to this volume are professionals in their fields with extensive experiences in researching governmental processes and cultures as well as familiarity with Brazil’s bureaucracy.” —Colonial Latin American Historical Review
328 pages 2011
15. 978-0-268-03894-6 • $38.00 pa / SALE $28.50

VIOLENT DEMOCRATIZATION
Leah Anne Carroll
Awarded the Michael Jimenez Book Award by the Colombia Section of the Latin American Studies Association
“Leah Anne Carroll has written one of the best books in English in recent years about Colombian politics. I reach that evaluation because of the focus of her study, the theoretical set-up methodology, and the conclusion which ties all the preceding together.” —International Affairs
464 pages 2011
16. 978-0-268-02303-4 • $45.00 pa / SALE $29.25

THE SOURCES OF DEMOCRATIC RESPONSIVENESS IN MEXICO
Matthew R. Cleary
“Using the case of Mexico, Matthew Cleary critically examines a key supposition to democratic theory: that elections produce good and responsive government. In a nicely crafted theoretical discussion, Cleary examines the problems linking elections to responsiveness. This is a superb case study that contributes, as case studies should, to both the broader discussion on democracy and the specifics of the case. Students of comparative politics can certainly benefit from the excellent review of debates centering on the pillars of democracy, and the struggles to create responsive and accountable government.” —Political Science Quarterly
272 pages 2010
17. 978-0-268-02301-0 • $28.00 pa / SALE $16.80
DISSONANCES
Democratic Critiques of Democracy
Guillermo O'Donnell

“In an era where the term ‘democracy’ carries enormous normative weight but is thrown around all too easily, a careful analysis of the social and legal structures that support a true democracy is certainly in order. O’Donnell’s analytical framework is solid and thorough, and his application of this overarching scheme to the particular case of Latin America reveals interesting avenues for further research, policy, and activism.” — Journal of International Law and Politics
196 pages 2007
24. 978-0-268-03728-4 • $25.00 pa / SALE $12.00

DICTATORSHIP AND POLITICS
Intrigue, Betrayal, and Survival in Venezuela, 1908–1935
Brian S. McBeth

“In his encyclopedic analysis of the politics of the Gomez regime, the author depicts Gomez as neither a simple tyrant nor a puppet of foreign interests, but as a consummately skilled politician who enjoyed broad domestic support. . . . McBeth’s work represents a major scholarly achievement in Venezuelan history . . . this is an essential book for anyone interested in modern Venezuelan history, and provides interesting insights into the contemporary political dynamics of that country.” — The Journal of Latin American Studies
592 pages 2008
25. 978-0-268-02580-9 • $60.00 cl / SALE $15.00

PEACE, DEMOCRACY, AND HUMAN RIGHTS IN COLOMBIA
Edited by Christopher Welna and Gustavo Gallón

“The contributors to the book write on essential themes, such as institutional (especially electoral) reform, the politics of the narcotics trade, shifts and continuities in the US policy, and human rights. . . . The volume puts a particular stress on Plan Colombia. Its contributors argue convincingly that the rhetoric of an integrated approach to Colombian narco-violence was not acted upon. Resources were heavily concentrated in a counter-narcotics campaign that stressed the defeat of terrorism and undercutting the resource base of the guerrillas, together with the interdiction and penalisation of drugs, traffic, crop fumigation, and eradication.” — Bulletin of Latin American Research
472 pages 2007
26. 978-0-268-04409-1 • $37.50 pa / SALE $18.00

NEEDS OF THE HEART
A Social and Cultural History of Brazil’s Clergy and Seminaries
Kenneth P. Serbin

“Needs of the Heart provides a rich analysis of the historical development of the Catholic Church in Brazil. Much more than in institutional history, this work examines how, over the course of five centuries, priests navigated the divide between Europe and America as they participated in shaping a Brazilian nation as well as a distinctly Brazilian church.” — Hispanic American Historical Review
496 pages 2006
27. 978-0-268-04119-9 • $60.00 cl / SALE $15.00

EAGLES, DONKEYS, AND BUTTERFLIES
An Anthropological Study of Brazil’s “Animal Game”
Roberto DaMatta and Elena Soárez
Translated by Clifford E. Landers

“DaMatta and Soárez have performed a valuable service to the field of Brazilian studies. . . . The book’s essayistic sections make it a useful window on one dimension of the twentieth-century Brazilian anthropological imagination as it explores how the European anthropology of ‘savages’ can be applied to their own modern, urban society. Thus this book is a study of totemism as a concept in itself as much as it is a book about the elusive and omnipresent animal game.” — Journal of Latin American Studies
232 pages 2006
28. 978-0-268-02580-9 • $25.00 pa / SALE $10.00

THE IMPACT OF NORMS IN INTERNATIONAL SOCIETY
The Latin American Experience, 1881–2001
Arie M. Kacowicz

“Kacowicz examines the role of international norms in accounting for Latin America’s relatively benign international relations. . . . At a general level, Kacowicz sees international norms at work in Latin American states’ frequent use of third-party arbitration to resolve disputes and in numerous peaceful cessions and exchanges of territory over the years. He also assesses the impact of norms in 11 specific case studies involving territorial and other ‘security’ conflicts between Latin American states from the 1880s to present.” — Journal of Peace Research
232 pages 2005

THE QUALITY OF DEMOCRACY
Theory and Applications
Edited by Guillermo O’Donnell, Jorge Vargas Culelli, and Osvaldo M. Iazzieta

“This book deserves to be carefully read by anyone interested in democracy, and especially democracy in Latin America. Its main innovations are probably methodological and empirical rather than theoretical. . . . [T]he book will probably stimulate fruitful arguments about whether or not we need to re-evaluate Latin American democracies in light of the notion of democratic quality. It is a challenging, important, and complex volume.” —The Americas
288 pages 2004
31. 978-0-268-03719-2 • $25.00 cl / SALE $17.50

MONSIGNOR ROMERO
A Bishop for the Third Millennium
Edited by Robert S. Pelton, C.S.C.

“Oscar Romero, the Archbishop of San Salvador who repeatedly protested against the rampant violence in his homeland . . . has been honored by the Archbishop Romero Lecture Series at the University of Notre Dame since 1987; the present volume makes eight of those lectures available to a wider audience.” —Religious Studies Review
136 pages 2004

AUTHORITARIAN LEGACIES AND DEMOCRACY IN LATIN AMERICA AND SOUTHERN EUROPE
Edited by Katherine Hite and Paola Cesarini
Foreword by Nancy Bermeo

“The work as a whole is interesting and in some ways illustrative. This reviewer has no doubt that historical analysis can help illuminate contemporary realities in all kinds of ways, and the articles in this collection broadly succeed in doing this. . . . This edited collection includes some interesting discussion, and successfully illuminates some significant aspects of the behavior of state actors in Brazil and the southern cone of South America, and to a lesser extent elsewhere.” —The Americas
360 pages 2004
33. 978-0-268-02766-7 • $45.00 cl / SALE $8.00

FUJIMORI’S COUP AND THE BREAKDOWN OF DEMOCRACY
IN LATIN AMERICA
Charles D. Kenney

“Charles Kenney’s book is an important contribution to an emergent body of work analyzing the Fujimori years in Peru. . . . Kenny provides a glimpse into the years leading up to Fujimori’s 1992 autogolpe, both explaining the event and discussing its consequences for democratic governance in Peru.” —Latin American Politics and Society
400 pages 2004
