from

University of Notre Dame Press

Discounts valid until December 31, 2013.
New and Recent

Natural Right and Political Philosophy
Essays in Honor of Catherine Zuckert and Michael Zuckert
Edited by Ann Ward and Lee Ward
“The volume stands as an impressive introduction to the liberal arts and a lively introduction to many great issues of liberalism, Christianity, justice, and liberty; it is also a tribute to the Zuckerts’ breadth of study, teaching, and influence.” —Robert K. Faulkner, Boston College
472 pages 2013
1. 978-0-268-04427-5 • $65.00 cl
978-0-268-09661-8 • $45.50

What Happened in and to Moral Philosophy in the Twentieth Century?
Philosophical Essays in Honor of Alasdair MacIntyre
Edited by Fran O'Rourke
“This is an impressive collection of essays, which deserves a wide audience. The book makes an original contribution to the field, since its retrospective of twentieth-century moral philosophy goes beyond the Anglophone mainstream, tackling Catholic and continental as well as Anglophone analytical thought.” —Tom Angier, University of Kent
544 pages 2013
2. 978-0-268-03737-6 • $70.00 cl
978-0-268-08866-8 • $49.00

The Mystical as Political
Democracy and Non-Radical Orthodoxy
Aristotle Papanikolaou
“The Mystical as Political rewards its reader with fresh insight into the complex relation between faith and politics. Papanikolaou is a rising star on the theological scene. This book deserves wide readership as a crucial theological contribution to debates about our political and personal lives.” —William Schweiker, University of Chicago
248 pages 2012
3. 978-0-268-03896-0 • $27.00 pa
978-0-268-08983-2 • $18.90

Reason, Tradition, and the Good
MacIntyre's Tradition-Constituted Reason and Frankfurt School Critical Theory
Jeffery L. Nicholas
“Jeffery L. Nicholas is interested in what he calls a substantive conception of reason that is tradition-based, non-formal, non-instrumental and capable of undoing modernity’s differentiation of scientific, moral and aesthetic spheres of rationality. . . . Nicholas’s elucidation and defense of his view comprises a critique of subjective reason that relies on Max Horkheimer’s work, a criticism of Jurgen Habermas’s communicative reason, and an explanation of substantive reason that looks to Alasdair MacIntyre.” —Notre Dame Philosophical Reviews
264 pages 2012
4. 978-0-268-03664-5 • $38.00 pa
978-0-268-08764-7 • $27.00

E-books from University of Notre Dame Press
Select titles from the University of Notre Dame Press are available in electronic format on our website at undpress.nd.edu/ebooks. Rawlsian Political Analysis
Rethinking the Microfoundations of Social Science
Paul Clements

“Presents a new framework for political analysis based on the work of Immanuel Kant and John Rawls.”
—Journal of Economic Literature

“John Rawls’s writings on justice, political liberalism, and international justice have had an enormous influence on contemporary political theory and law. Clements has now appropriated Rawls to serve as the micro-foundation of the social sciences generally.” —Choice

248 pages 2012
5. 978-0-268-02371-3 • $35.00 pa
978-0-268-07696-2 • $25.00

Cicero’s Practical Philosophy
Edited by Walter Nicgorski

“The volume . . . should appeal to anyone who is interested in Cicero’s philosophical writings (and perhaps to some who are interested primarily in Cicero as an orator and statesman). The book’s miscellaneous character is not a weakness; if anything, it rather demonstrates that Ciceronian studies are currently in a state of healthy ferment.” —Notre Dame Philosophical Reviews

328 pages 2012
6. 978-0-268-03665-2 • $42.00 pa
978-0-268-08763-0 • $29.00

Nietzsche and the Drama of Historiobiography
Roberto Alejandro

“Alejandro may have put his finger on the secret to Nietzsche’s appeal by emphasizing the redemptive motif in Nietzsche’s writings. Nietzsche saw humans as ‘religious animals’—unique among living creatures in demanding meaning for their lives. And he presents himself as a redeemer (ecce homo) who offers meaning. . . . The three major metaphors of Nietzsche’s story are the will to power, the overman, and eternal recurrence. Taken together they enable Nietzsche ‘to relate the real story of Christianity’ and make him, as Erich Heller has pointed out, one of the most radical religious writers of the 19th century.” —Choice

392 pages 2011
7. 978-0-268-02037-8 • $40.00 pa / SALE $28.00

Courage
The Politics of Life and Limb
Richard Avramenko

“Courage has come into disrepute, most often on display as the last refuge of nostalgics, reactionaries, and jingoists. This book is a welcome reminder, and a compelling demonstration, that courage is too powerful and too useful to leave to them. . . . Courage opens a worthwhile discussion, and is itself a worthwhile contribution. Anyone who is interested in the political cultures of the societies he treats will benefit from reading it.” —Bryn Mawr Classical Review

376 pages 2011
8. 978-0-268-02039-2 • $40.00 pa / SALE $28.00
Simone Weil
Attention to the Real
Robert Chenavier
Translated by Bernard E. Doering

“Bernard Doering has crafted a very fine translation of Robert Chenavier’s comprehensive but brief introduction to Simone Weil’s philosophical project. It provides an excellent English introduction to the social philosophy of Simone Weil with due attention to her understanding of the importance of work in learning to attend to the real. Doering’s translation will be of interest to both a religious and secular readership, both inside and outside the academy.” —Lawrence Schmidt, University of Toronto

104 pages 2012
9. 978-0-268-02373-7 • $20.00 pa
978-0-268-07688-7 • $14.00

Virtue and Politics
Alasdair MacIntyre’s Revolutionary Aristotelianism
Edited by Paul Blackledge and Kelvin Knight

“Alasdair MacIntyre is perhaps the greatest moral philosopher alive today. . . . Blackledge and Knight have assembled this fascinating set of papers addressing what his politics are and/or should be. . . . MacIntyre, as is clear from this volume, makes no secret of the fact both that he takes Marxism as a political programme to be unsalvageable and that he still feels entitled to call his Thomist Aristotelianism ‘revolutionary.’” —Marx and Philosophy Review of Books

384 pages 2011
11. 978-0-268-02225-9 • $40.00 pa / SALE $28.00

Herman Dooyeweerd
Christian Philosopher of State and Civil Society
Jonathan Chaplin

“To unpack Dooyeweerd is no small task, especially given his penchant for neologisms and a highly nuanced use of common vernacular. Given the challenge of such an undertaking, one can appreciate Chaplin’s cumulative exposition of Dooyeweerd’s thought; his skillful development provides an effortless transition from Chaplin’s unique philosophy to his distinct political and social thought to the application of both in contemporary issues.” —Journal of Church and State

464 pages 2011
10. 978-0-268-02305-8 • $68.00 cl / SALE $47.00

Simone Weil and the Specter of Self-Perpetuating Force
E. Jane Doering

“Simone Weil’s earliest published essays from the 1930s advocate an uncompromising pacifism she gradually abandoned in the aftermath of Hitler’s invasion of Czechoslovakia. E. Jane Doering takes these writings as a starting point for a compelling account of the development of Weil’s thought. The result is a valuable study of a central preoccupation of Weil’s, and also an admirable and illuminating introduction to her thought as a whole.” —Journal for Peace and Justice Studies

296 pages 2010
12. 978-0-268-02604-2 • $30.00 pa / SALE $21.00

The Forgotten Founders on Religion and Public Life
Edited by Daniel L. Dreisbach, Mark David Hall, and Jeffry H. Morrison
Foreword by Mark A. Noll
“Few historical subjects cause more disagreement in American constitutional jurisprudence than church-state relations during the nation’s founding. In this valuable book, historians and historically minded political scientists and law professors probe beyond these arguments’ conventional boundaries. Every category of reader will profit from this fine book; its research is admirably wide and deep, and its standard of writing and argument is uniformly high.”
—Journal of American Studies
344 pages 2009
13. 978-0-268-02602-8 • $28.00 pa / SALE $21.00

Friendship and Politics
Essays in Political Thought
Edited by John von Heyking and Richard Avramenko
“The 12 essays in this volume address the relationship between friendship and political life. . . . Joshua Mitchell on Tocqueville, Richard Avramenko on Nietzsche, and Jurgen Gebhardt on the importance of trust in any legitimate public order round out this interesting collection on a topic lately ‘relegated to the backbenches of political philosophy.’”
—Choice
368 pages 2008
14. 978-0-268-04370-4 • $35.00 pa / SALE $22.75

War, Peace, and International Political Realism
Perspectives from The Review of Politics
Edited by Keir A. Lieber
“This wide-ranging collection of essays highlights the philosophical depth and topical breadth of postwar realist thought and illustrates both the continuities and divisions that continue to shape that tradition. Readers will gain considerable insight from revisiting these classics, or from discovering them for the first time.” —Stephen Walt, Robert and Renee Belfer Professor of International Affairs, Harvard University
352 pages 2009
15. 978-0-268-03384-2 • $28.00 pa / SALE $15.00

The Crisis of Modern Times
Perspectives from The Review of Politics, 1939–1962
Edited by A. James McAdams
“The Review of Politics has been essential reading for students of political philosophy and politics for more than two generations, including among its contributors internationally renowned scholars whose works are both enormously influential and increasingly look to be contemporary expressions of perennial wisdom. To make seminal essays of this remarkable journal easily accessible, with more to come in future volumes, is a great service to students of political science at every level.”
—Timothy Fuller, Lloyd E. Worner Distinguished Service Professor, Colorado College
472 pages 2007
16. 978-0-268-03505-1 • $75.00 cl / SALE $35.00

Metropolitan Governance in the Federalist Americas
Strategies for Equitable and Integrated Development
Edited by Peter K. Spink, Peter M. Ward, and Robert H. Wilson

“. . . makes an important contribution to the broader debate on subnational governance and to the specific debate on metropolitan governance. The authors provide an excellent, accessible description and explanation of the wide variation in forms, rules, and outcomes associated with metropolitan governance in the Americas.” —Brian Wampler, Boise State University

328 pages 2012
18. 978-0-268-04141-0 • $38.00 pa
978-0-268-09266-5 • $26.60

Recovering Solidarity
Lessons from Poland’s Unfinished Revolution
Gerald J. Beyer

“Drawing on Catholic social teaching as well as on economist Amartya Sen, Beyer challenges the church to resist the neoliberalism that currently dominates Polish political decision-making. The book is uniquely valuable in drawing on Polish language literature as well as interactions with key Polish leaders.” —Religious Studies Review

336 pages 2010
19. 978-0-268-02216-7 • $40.00 pa / SALE $24.00

The Ethiopian Campaign and French Political Thought
Yves R. Simon
Edited by Anthony O. Simon
Translated by Robert Royal
Foreword by A. James McAdams

“Simon’s reflections on the moral hazards inherent in the use of military force ‘to civilize others’ raise important questions about the current practice by some powerful countries to bring ‘democracy’ to others through military invasion and occupation.” —International Journal of Ethiopian Studies

160 pages 2009
20. 978-0-268-04130-4 • $25.00 pa / SALE $15.00

Governance in the Americas
Decentralization, Democracy, and Subnational Government in Brazil, Mexico, and the USA
Robert H. Wilson, Peter M. Ward, Peter K. Spink, and Victoria E. Rodríguez with Marta Ferreira Santos Farah, Lawrence S. Graham, Pedro Jacobi, and Allison M. Rowland

“The book emerged out of a promising intellectual project. The co-authors, all experts in public policy, combine considerable knowledge of both Mexico and Brazil. The idea of comparing the three largest federal systems in the Americas excites the imagination, given its potential to advance our understanding of how federalism shapes democratic development (or vice versa).” —Journal of Latin American Studies

352 pages 2008
21. 978-0-268-04411-4 • $35.00 pa / SALE $21.00
