**Philosophy and Religion**

**A Philosophy of the Unsayable**
William Franke

“William Franke is an articulate spokesman for what cannot be said not only with regards to modern European poetry but also with respect to contemporary theology. A Philosophy of the Unsayable is essential reading for everyone working in religion and literature and in modern theology.” —Kevin Hart, Edwin B. Kyle Professor of Christian Studies, University of Virginia

**The Quest of the Absolute**
Birth and Decline of European Romanticism
Louis Dupré

“[T]his volume is more than an intellectual history; it is a new synthesis of a diverse complement of beliefs and works. Dupré’s vision affirms the coherence of romanticism by emphasizing its persistent quest for an unrealizable ideal. . . . The book is breathtaking in its erudition and thoughtful in its assertions.” —Choice

**Minding the Modern**
Human Agency, Intellectual Traditions, and Responsible Knowledge
Thomas Pfau

“By returning the concerns of the ‘big books’ to literary studies, Pfau hopes to deliver the humanities in general from the methodological dead ends of historicism and reductionism approaches imported from the hard sciences. . . . The ensuing debate, and the intellectual traditions it will engage, could help restore seriousness and urgency to the humanities.” —The Hedgehog Review

**Christianity and Secular Reason**
Classical Themes and Modern Developments
Edited by Jeffrey Bloechl

“This book features nine essays exploring shifting relations between Christianity and secular rationality. Introduced by editor Bloechl (Boston College), the essays are written by prominent American philosophers and theologians working in the Catholic tradition. . . . The essays are deeply conversant with a broad range of scholarly literature and will be of interest to serious students and scholars.” —Choice

Thresholds in Philosophy and Theology

**René Girard and Secular Modernity**
Christ, Culture, and Crisis
Scott Cowdell

“More than any other study devoted to Girard, Cowdell incorporated Girard’s more recent writings and interviews into a total picture of mimetic theory and brings it into conversation with modern secularism. . . . [His] book deserves a place among the pantheon of works that show the importance of mimetic theory for Christian theology.” —Theological Studies

The Persistence of the Sacred in Modern Thought
Edited by Chris L. Firestone and Nathan A. Jacobs

“[T]he authors of The Persistence of the Sacred in Modern Thought make a useful and original contribution by correcting willful or innocent misunderstandings of the role of God in modern philosophy and by pointing to the need for contemporary scholars to be more aware of their own historical and cultural presuppositions in approaching texts from the past.” — Philosophy in Review

The Golden Cord
A Short Book on the Secular and the Sacred
Charles Taliaferro

“For Taliaferro, there are various cords in life that can lead us to God. To reach such a destination, he takes the reader along a journey whose terrain is steeped in literary metaphors, philosophical contours (and obstacles), and autobiographical insights and depictions. . . . [For him,] personal experience cannot be excised from any so-called academic work and it is refreshing to see an author (and a publisher) encourage such mixing.” — The Heythrop Journal

Displacing the State
Religion and Conflict in Neoliberal Africa
Edited by James Howard Smith and Rosalind I. J. Hackett
Foreword by R. Scott Appleby

"Avoiding a spirit of either triumphalism or cynicism, the volume’s eight case studies explore how religious actors instigate conflict, contribute to reconciliation, and foster conflict and peace simultaneously.” . . . Hackett’s and Smith’s text warrants a wide readership among students of political science, religion, and American studies.” —Journal of Church and State

The Gospel according to Shakespeare
Piero Boitani
Translated by Vittorio Montemaggi and Rachel Jacoff

“In this wonderful, cultivated, even wise treatment of Shakespearean allusion to the Bible, Boitani retells the stories of six plays, commenting upon their gospel verbal echoes to show us a Shakespeare who, whatever his actual beliefs, casts his human actions with a divine, distinctly Christian light.” —Sixteenth Century Journal

Capital Punishment and Roman Catholic Moral Tradition
Second Edition
E. Christian Brugger
In his new preface, Brugger examines the contribution of Pope Benedict XVI to Catholic thinking on the death penalty. He argues that Pope Benedict maintained the doctrinal status quo of his predecessor’s teaching on capital punishment as self-defense, with detectable points of reluctance to draw attention to nontraditional implications of that teaching.

Notre Dame Texts in Medieval Culture

**The Life of Saint Katherine of Alexandria**  
John Capgrave  
Translated by Karen A. Winstead  
Karen Winstead has been helping develop our appreciation of the genre of saints’ lives for some time now, so her discussion of how Capgrave’s *Life* fits into the tradition as well as how it breaks with convention is enlightening. . . . There is much to encourage further thought and exploration for both novice and experienced scholars.” — Sixteenth Century Journal

Ascetic Culture
Essays in Honor of Philip Rousseau
Edited by Blake Leyerle and Robin Darling Young
 “[A] significant resource for scholars and students interested in the study of Christianity in late antiquity. It offers a fascinating collection of investigations into early Christian ascetic rhetoric and practice as well as ample self-reflection on contemporary scholarly interpretation of primary source data. In so doing, the authors honor Philip Rousseau’s major contributions to the field.” —Stephen J. Davis, Yale University

The Call of Abraham
Essays on the Election of Israel in Honor of Jon D. Levenson
Edited by Gary A. Anderson and Joel S. Kaminsky
“[T]he studies in this collection all focus on one theme, namely, the theological meaning of Israel’s election and the implications of this for both the Jewish and the Christian communities. The collection is also unique in that it seeks to further Levenson’s own thinking on the topic rather than offer new insights into unrelated issues.” —Bible Today

### Catholic Social Thought

#### Rethinking Poverty

**Income, Assets, and the Catholic Social Justice Tradition**

James P. Bailey

"[A] superb, creative and timely book. . . . Bailey's work suggests that ethicists and economists can serve the country with concrete and specific budget proposals that might persuade, cajole or shame Congress to reform the tax code in a way that helps the poor instead of hurting them." — *Christian Century*
